

Information

A stated member of the Seekers can take the title of Journeyman.

- Guildleader:

Background

Spies and infiltrators without equal in the Valley (although the Assassins may argue against that), it is the Seekers who are entrusted with keeping tabs on our enemies, finding their hidden bases and learning of their schemes. Most Seekers tend to follow the Good Sphere but as a Guild that trains its members to be versatile they vary wildly in appearance and personality.

Notable Guildmembers

- Talon – Master Seeker who trained the group of deep cover operatives now known commonly as the “Rogue Seekers”.
- Cirith - Master Seeker, High Priest of Humact and Hero of the Alliance.

Requirements to Join

Potential Seekers are expected to prove that they have a basic understanding of their craft. Before being accepted as a member of the Seekers Guild a potential recruit must obtain information, that is of benefit to his group, without any assistance.
